ENROLLMENT DEPOSIT

CHF 3,000

Following a student's acceptance, an enrollment deposit is due immediately to hold and confirm the student's place. The enrollment deposit will be held by TASIS until the September after the student's graduation, or three months after the last day of attendance, and will be returned to the student less any uncovered expenses accrued by the student. If the enrollment deposit is depleted to less than half the original amount, an additional payment will be requested. The enrollment deposit is non-interest bearing and non-refundable in the event the student decides not to enter the school, withdraws during the course of the school year, or is dismissed by TASIS.

In addition to the above fee and deposit, all new students are required to make this initial contribution toward ongoing facility improvement on the TASIS campus. The Campus Enhancement Fund is not required in Pre-Kindergarten or Kindergarten, but upon re-enrollment into Grade 1. VAT is applied to the Campus Enhancement Fund for families domiciled in Switzerland at the time of enrollment.

LEARNING RESOURCE CENTER

In case of non-payment of the tuition, TASIS shall moreover be entitled to withhold the issuance of the diploma and/or other transcripts relating to the relevant student.

HEALTH AND ACCIDENT INSURANCE

Boarding Students

Swiss law dictates that TASIS must insure all boarding students for health and accidents while the student is residing on campus or is participating in a school-sponsored trip. This insurance coverage is included in the yearly tuition. Please note that this insurance coverage should not replace any existing policy parents might be holding that covers their child for health and accidents, as TASIS insurance is only valid while the student is under the care of TASIS.
