Greetings, All!

It is my great pleasure to welcome you back to the Summer Arts Festival here at TASIS. This summer, our students have embraced and unlocked new talents, overcome their fears, and transported themselves through new challenges, creating inspiring works of art. From beautiful photography to sculpture design to individuals shining at the talent shows to all of the original musical productions, this is truly an Arts Festival to remember!

Here at TASIS, we emphasize the importance of the arts not only as a reflection of the beauty in this world, but as a direct application of the lessons learned in the rest of our lives. Not every performer will debut at La Scala or every artist exhibit in the marbled halls of Firenze, but that’s not why we’re here. The Arts teach us to share our humanity, *together*. We share our talents to find out more about ourselves and the world around us, and to hopefully understand one another better. Each of these original musicals, and the concerts that follow, emphasize the importance of sharing, understanding, and working together. In a season of life when we’ve been deprived of our usual opportunities to gather, we must continue to remind ourselves how much of a gift it is to be together.

It’s incredible to see what these brave and talented young artists have dreamt up in their short time here, and I couldn’t be more proud. I have hope in the world of tomorrow knowing these bright minds are the next generation of leaders, thinkers, and dreamers.

To the students, if you have a dream, keep chasing it! There is no dream you cannot realize. Remember to be true and kind to yourself and others, and always choose the bright thing!

With Gratitude,

Mr. Mikey
